

# Becoming a Developer

<!-- --> <!-- -->

## Table of contents

1	Becoming a Developer.....	2
---	---------------------------	---

## **1. Becoming a Developer**

- **Obtain a SourceForge account to become an Authenticated User & Sign the T&Cs**
- **Authenticated Users can request Developer privileges, which the Conformance Sub Committee votes to grant.**
  - Developers must be employees the OASIS TC member companies
    - i.e. random folks from the general public will not be approved
- **Some Developers will also be granted Release Technician privileges, at the behest of the Conformance Sub Committee**
